

General Dispute Policy

These are the steps to be taken should a Parent, Skater, Coach, or Board member have a general dispute.

1. Skate Canada strongly encourages that the individuals involved make every effort to resolve the dispute amongst themselves. If the dispute is resolved among the parties, then no escalation is required. If no resolution is met proceed to the next step.
2. Ask for the appropriate third party to mediate a meeting. Your third party can include one of the following: Professional Coach Board representative, President, CANskate Co-Ordinator, or STARskate/Assessment Co-Ordinator. If the dispute is resolved at this stage, then no escalation is required. Notes will be made on the dispute and resolution if one has been reached, signed by parties involved and kept on file. If no resolution has been met proceed to next step.
3. Complaints of General Disputes must be submitted in writing to the club or skating school as the first step to resolving the dispute. The mediation notes and dispute info submitted will be reviewed by the Board of Directors. The board will decide what the next steps if any and let the parties involved know in writing.

WHAT THE COMPLAINT SHOULD CONTAIN

The complaint of general disputes must be submitted in writing (email or mail). It should contain as much information as possible about the dispute which is the subject of the concern, including but not limited to dates, times, and locations of the dispute (as applicable), names of any witnesses to the dispute(s), and a detailed description of the dispute.

ACTING IN GOOD FAITH

Anyone reporting a concern must be acting in good faith and have reasonable grounds for believing the information being reported is true and accurate. Any allegations that prove not to be substantiated and prove to have been malicious or intentionally false will be viewed as a serious offence, subject to disciplinary action.

4. Complaints of General Disputes may be referred in writing to your Local Section Office. Please note above what the complaint should contain.
5. A general dispute can be escalated to Skate Canada as a final appeal or if the Section is implicated in the dispute, it should be reported directly to Skate Canada. Complaints can be submitted to safesport@skatecanada.ca.

Purpose

Parents, skaters, contracted employees, and the Skating Club Executive are expected to fulfill certain responsibilities and obligations including, but not limited to, Skate Battlefords Code of Conduct. Non-compliance may result in sanctions as outlined in this policy.

Application

Any behavior that is contrary to Skate Battlefords Code of Conduct may lead to disciplinary action from the Skating Club Executive. The President, on the recommendation from the Discipline Committee, has the authority to suspend any member for various actions until the Skating Club Executive conducts a meeting to determine sanctions.

Procedure

Any individual may report a complaint to the Club. The complaint must be provided in writing and filed with the Skating Club Executive within 14 days of the alleged incident. The President may then initiate the investigation process by delegating the complaint to the Discipline Committee. 4. Determine a recommended sanction, if necessary.
5. Convene a meeting of Skate Battlefords Board of Directors to present a summary of the event and recommended any sanctions.

Disciplinary Action

When determining appropriate disciplinary sanction, the Discipline Committee can consider:

- The nature and severity of the infraction
- If the infraction was an isolated incident or part of an ongoing pattern.
- The age of the complainant.
- Whether the individual under investigation admitted responsibility and expressed a willingness to change.
- Other mitigating factors not listed above.

The disciplinary committee may hold a hearing for determining appropriate sanctions. If the individual being disciplined chooses not to participate in the hearing, the hearing may proceed without their participation. Where the individual acknowledges the facts of the incident, he or she may waive the hearing, in which case the disciplinary committee shall determine appropriate disciplinary sanctions and make those recommendations to the Skating Club Board of Directors.

The disciplinary committee may recommend the following sanctions singly, or in combination as deemed appropriate:

1. Written reprimand to be placed in the individual's file.
2. Written apology by the individual.
3. Suspension from certain Skate Battlefords events which may include lessons, special events, competitions or future such events.
4. Suspension from certain Skate Battlefords activities such as participation as a skater, coach, volunteer or employee for a designated period.
5. Suspension from all Skate Battlefords activities for a designated period.
6. Revocation of individual membership in Skate Battlefords.
7. Revocation of family's membership in Skate Battlefords in the case of serious breaches of the Code of Conduct by a parent.

The Skating Club Board of Directors can approve sanction recommendations of the Discipline Committee via simple majority.

Appeal Process

Decisions can be appealed in writing to the Skating Club Executive within 48 hours of their delivery. A decision cannot be appealed on merits alone. Within 7 days of receiving the notice of appeal, the Vice-President shall decide whether one of the grounds for appeal validates a hearing. An appeal may be heard by the full Skating Club Executive within 7 days of the appeal being granted.

Sufficient grounds for appeal include:

- The Discipline Committee making recommendations for which it did not have authority.
- Failure to follow procedures laid out in this policy
- Identified bias in the decision-making process
- Indiscretion of the Discipline Committee

If the appeal is denied based on insufficient grounds, the appellant shall be notified of this decision, in writing, giving reasons within 7 days of the denial.
